

## Turbo Challenge Bingo Game Guide

### Getting started:

Before playing Turbo Challenge Bingo (an electronic shutter board-style bingo game), make sure you've purchased electronic credits at the sales counter.

### How to play Turbo Challenge Bingo:

- Upon the start of the Turbo Challenge Bingo session, access the Turbo Challenge Bingo game by going to the POD Selection Screen, selecting the POD button and choosing the Turbo Challenge Bingo icon. Touch each card to unselect or deactivate card/s. You can play up to 4 cards at once.
- Choose **[Buy In]** to start.
- To learn more about games and prizes, see a Customer Service Representative or refer to the session program.

### Volume Option:

Click the ▲ or ▼ button to turn the volume up or down.

---

**REMINDER:** If you get a bingo, you **MUST** select the **[Claim]** button and yell "BINGO!"

---

**Due to the speed of Turbo Challenge Bingo, it is recommended that you do not play a Play On Demand (POD) Game at the same time. If you prefer to play a POD Game, you can exit the game to do so.**

## SPEED is BACK

.....

Turbo Challenge Bingo is an exciting shutter board-style bingo game you play at designated game times.

With an easy-to-play touch screen, it's a fast and fun way to enjoy all that bingo has to offer.

**Alternative format  
available upon request.**

Must be 18 years of age or older. Government-issued identification may be required. Malfunctions will void all plays and pays. If you request a refund or exchange of a product, please see a Customer Service Representative for assistance. Any remaining electronic bingo credit can be redeemed at the end of the session or within 24 hours. For a complete list of rules see a Customer Service Representative. Cette information est aussi disponible en français en composant le 1-800-387-0098.

## TURBO CHALLENGE BINGO

Turbo Challenge Bingo is a fast-paced, shutter board-style bingo game. By sliding the shutters on an interactive touch screen, be the first to complete the winning pattern/s on your card, based on the balls called. Prizes for each game are determined by the number of cards in play. A portion of the sales will go towards funding the Progressive Jackpot. This game requires a wager of 25¢ to \$2.50 per card. Check the Session Program for pricing information or speak to a Customer Service Representative.

### Buying cards:

- Access the Turbo Challenge Bingo game by going to the POD Selection Screen, selecting the POD button and choosing the Turbo Challenge Bingo icon.
- Check your electronic credits in the top menu board to make sure you have enough available credits to purchase cards.
- Shutter board cards will automatically appear. Touch each card to unselect or deactivate card/s. You can play up to 4 cards at once.
- Choose the flashing **[Buy In]** button and confirm your purchase by selecting **[OK]** or make a change by selecting the **[Cancel]** button.

---

**TIP:** Finding it hard to keep pace? Simply press the **[Claim]** button and the system will let you know if you have won!

---

### How to play:

- Turbo Challenge Bingo consists of 10 individual games. You must play games 4 through 9 to qualify for game 10.
- Check the top menu board to confirm each game's bingo pattern/s and prize amount.
- The numbers will appear on the flashboard in the top left corner as they are called.
- As each number is called, slide the corresponding number on your card(s) wherever it appears on your active card(s).
- Remember that the "Free" space on each card is wild.
- **If you get a bingo, you MUST select the [Claim] button and yell "Bingo!"**
- The caller will verify all winning cards and a winning message will appear if you win.
- Win the Progressive Jackpot by achieving the correct pattern/s within a specific number of balls called. The Jackpot will grow to a maximum prize level of \$5,000. Once this prize level is reached, the ball ordinal needed to win will increase by one number a day until the Jackpot is won.
- All prizes will automatically be credited to your account (except for prizes of \$1,000 or more – see a Customer Service Representative for processing).
- Once the caller has ended the game, the next game shutter board cards will automatically appear and be available for purchase. See the "Buying cards" section for purchase instructions.
- You can exit Turbo Challenge Bingo at any time; press the **[Exit]** button on the top right corner to leave the game. You will return to the Play on Demand (POD) Selection Screen where you can purchase a POD game, log off or return to session bingo.

**Please Note:** The credits displayed show your current balance, which increases with winnings and decreases with purchases.

## TURBO CHALLENGE BINGO

Patterns	Prize Payout Percentage	Patterns	Prize Payout Percentage
Game 1 – One line any way or four corners	60%	Game 6 – One line any way or four corners	60%
Game 2 – One line any way or four corners	60%	Game 7 – One line any way or four corners	60%
Game 3 – One line any way or four corners	60%	Game 8 – One line any way or four corners	60%
Game 4 – One line any way or four corners	60%	Game 9 – One line any way or four corners	60%
Game 5 – One line any way or four corners	60%	Game 10 – One line any way or four corners	100%

Note: Odds of winning depend on the number of participants and the number of shutter board bingo cards in play. At the beginning of each game, the prize will be displayed in the top menu board on the game screen. A portion of all sales contribute to the Progressive Jackpot. The Progressive Jackpot will be capped at 10% of sales.
